CONGRATULATIONS

You finished the puzzle!

Each step you took, each secret found,
led you at last to the sacred ground.

The end is yours. You win

End of riddles and poems, I hope you actually enjoyed doing the puzzle >:) It‘s 3am when I‘m typing this and I really tried my best to make it fun, while not being too easy or too hard. I did sometimes get lost in what I was actually doing and going for, and it might be noticeable...my bad.. :,D

I‘ve had kind of limited resources, so I had to stick with what I know and what I‘m able to work with. If some patterns repeat, that‘s why.

I hope you enjoyed :D YAYYAYY YIPPIE YIPPIEEE

BIG WIN
